Racking Rules:

1. Racks are only available to club members.
2. The club accepts no liability for any damage, however caused, to boats stored in the boat house, and it is up to the individual to insure their own equipment. (please attach a copy of your boat insurance certificate)
3. All racks must be paid for, or exemption must be sought from the captain. Only the captain has authority to grant exemptions.
4. All rack leases expire on the last day of the membership year.
5. Racking fees are £35 per seat for the full membership year. For racks leased part way through the year the racking fee payable is £35 per seat per month or part of a month that the lease is held. No refunds can be made. Rack leases may not be transferred from one member to another.
6. Members not already leasing a rack, or wishing to purchase a new rack lease, must apply to the Captain. Available racks will be issued on a first come first served basis, where a rack is not available for lease, the application will be filed on a waiting list.
8. Where boats are stored at the club without payment of racking fees or by non-club members, the owner will be given 14days notice (this may be via e-mail) to pay all fees owed or the boat must be removed from the club house.
9. Where boats are due to be removed from the club house for non-payment of fees (racking or membership) and the boat is not removed, the club reserves the right to remove the boat from the club house, leaving it either on the grass behind the club, or tied to one of the external racks. Burton Leander RC accepts no responsibility for loss or damage to any boats removed from the clubhouse as a result of non-payment of fees.
